

# Case History NCP 250

Industry Sector

Animal Healthcare

– Medium Pedestrian Traffic

**PROJECT NAME:**  
Coastal Vet Clinic - Kapuni

**PROJECT REQUIREMENT:**

First impressions count!

As the first point of entry into any Vet Clinic, it was essential for Coastal Vet Clinic to create a reception area with stunning appeal yet durable enough to cope with high foot traffic and hygiene requirements.

The floor area needed to be smooth, easy to clean and have high decorative appeal.

## NUPLEX Solution

A resilient vinyl Nuplex Eclipse was recommended due to the versatile nature of the product.

Eclipse is an attractive, non directional homogenous flooring featuring a polyurethane factory finish factory finish for added performance

A versatile range of borders and terminals are available to provide a wide design scope.

Striking features can be incorporated using borders and patterns. A full laser cut service is available on request.

**Product:** Nuplex Efina®

**Size:** 80m<sup>2</sup>

**Contractor:** R J Eagar Ltd – Stratford

**Specifier:** R J Eagar Ltd - Stratford

**Completed:** May 2012
