

Project of the Year Winner

nuplex[®]

Construction Products

Aquastop Ltd, Auckland

Congratulations to Brian Cross and his team at Aquastop Ltd, Albany.

The roofing on this substantial residence included many complex details and levels.

Aquastop did an excellent job in achieving the high stand of finish required yet maintained critical waterproofing integrity

Facing strong competition from other high profile members of the Nuplex Contractors Federation in different construction sectors, Aquastop's high quality work was outstanding.
